Hi Stacey-

No problem, however it might take a couple days for me to get it all together (the drug receipt is in Boston, so I'll ask them to fax it to me, but sometimes they are good and get it to me ASAP and sometimes it take a couple days, depending on how busy they are).

Dear Ms. Farak:

I am an ADA at the Wareham District Court. I am prosecuting the above-referenced defendant for Possession with Intent to Distribute Class B and Possession with Intent to Distribute Class C. I was wondering if I could get a copy of your lab notes and CV to provide to defense counsel for trial. The drug certificate numbers are [REDACTED], and [REDACTED]. The case is scheduled for trial on November 22, 2010, and you should be receiving a summons shortly.

If you have any questions please feel free to contact me.

Thank you,

Stacey L. Gauthier
